Instructions for Completion of the Subrecipient (Grantee) Information Form
(As Referenced within the Addendum to the DHHR Grant Agreement)

Both the Federal Funding Accountability and Transparency Act and the American Recovery and Reinvestment Act address the primary recipient's (DHHR) requirements to report information on the subawards it makes to subrecipient (Grantee) organizations. To ensure completeness and consistency in accounting for the funds received and subawarded by the DHHR to its Grantees, the DHHR has developed a standardized form in which Grantees shall be required to complete and submit to the DHHR during the negotiation (pre-award) stage of the grant cycle. The DHHR will not process the Grant Agreement or commit any of the funds related thereto until the Grantee submits a signed copy of the Subrecipient (Grantee) Information Form.

Please note that completion of this form requires that the Grantee organization to first obtain a valid Dun & Bradstreet Data Universal Numbering System, also known as a DUNS number, and then register with the Central Contractor Registration (CCR) database. In order to obtain a DUNS number or for further information the Grantee may contact Dun and Bradstreet at 1-866-705-5711 or via the internet at <http://fedgov.dnb.com/webform/>. After obtaining a valid DUNS number, the Grantee organization may then register with the CCR. However, prior to beginning the registration process with the CCR the Grantee should gather a few other important items. These items include the organization's Tax Identification Number (TIN) and Taxpayer Name used in Federal tax matters, statistical information about your organization, and the Electronic Funds Transfer (EFT) Information for payment of invoices. For further information, please review the Central Contractor Registration User's Guide. To obtain the CCR User's Guide and to begin the online registration with the CCR, please access the CCR homepage at <http://www.ccr.gov>.
